I will be on a plane at 8 am eastern tomorrow. I arrive in Birmingham at 9 central, then we have an appoint at 10 central. But, I don't need to be included in the meeting, I just need to know the language for the flyer. Thanks!

Anita,

Could a meeting be arranged today or Wednesday from 9-10 am? John Wheeler would like to participate and these are the times he is available.

We need to discuss the format again. What we heard loud and clear last week from the community is that they want a public meeting when there is information that everyone needs to hear. ATSDR can plan for the PAS but what you will probably get from the community insistence for the regular meeting format and since ATSDR has the new information to be shared our PIO has concerns about the messaging on this. I'm not sure how to resolve it, can we talk it through tomorrow?

Cheryl,

Thanks for the opportunity to review the flier. I made a few revisions to shorten the text. My revisions are attached.

Anita and Neema,

I read the flier this morning. The flier says ATSDR is having a public meeting from 5 – 6:30 pm, followed by EPAs public meeting at 6:30 pm. Our event is a PAS and not a public meeting. There will be no formal presentation at the PAS, as there will be at the EPA public meeting. I believe the flier should be revised to state ATSDR is holding a PAS where residents can drop in anytime between 5 and 6:30 pm to talk to ATSDR (and EPA if participating) staff one-on-one about the lead, arsenic and PAH health consultation.

Will EPA staff be participating in the PAS? If so what groups will be participating?

Sue

Hi Neema. I handed out flyers and access authorization forms at the meeting on Friday to the NBCC members present and to some of the Pastors that were present. A good source to get the word out may be to contact the Pastor association – Pastor Van Johnson and/or Pastor Wilder to see if we can get the announcements in the Church bulletins for this week. We can also deliver copies of the flyer and access authorizations to the churches if they want.

Attached is a flyer (approved by Anita) regarding the August 20 meeting. We confirmed with Reverend Wilder today that the meeting will be held at Bethel Church. I will be bringing copies of this flyer, along with access authorization forms to the meeting this afternoon with Coalition members.

If you have any questions or need further information, please let me know.
